Erosion & Sediment Control Training

NYS DEC-endorsed 4-hour GP-0-20-001

December 5th, 2023

8:30am – 1:00pm

Under the NYS Department of Environmental Conservation's Stormwater Permit GP-0-20-001, all developers, contractors and subcontractors must identify at least one *trained contractor* from their company that will be responsible for implementation of the SWPPP, and have at least one *trained contractor* on site on a daily basis when soil disturbance activities are being performed. Also, developers must have a *qualified inspector* conduct regular site inspections in accordance with GP-0-20-001.

Code Enforcement Officers & Planning Board/Zoning Board of Appeals members may use this course as 4 hours of Professional Development Elective Credits. The individuals completing the training may also need to provide DOS with a copy of their wallet card or certificate of course completion, if requested.

Qualified inspectors and trained contractors* must have 4 hours of training in the principles and practices of erosion and sediment control endorsed by NYS DEC, SWCD, NYS Erosion & Sediment Control Certificate Program, or CPESC, Inc. Training is good for 3 years. Training is **not required for CPESC, LA, NYSE&SCCP, and PE certified persons. Upon completion of the course, each participant will receive a NYS DEC Stormwater Training Number on a certificate and wallet card good for 3 years. *Certificates and wallet cards will be mailed to trainees after the class is held.*

This training does not allow contractors to conduct their own Qualified Weekly Inspections.
